

SOUTHWESTERN MEDICAL CENTER

Caring for Our Community!

Lawton,
Oklahoma

Population: 97,151 • Service Area: 651,352

LOCAL POINTS OF INTEREST

- **Mount Scott** – which rises 2,500 feet above the plains, offers breathtaking scenery and a chance to view free-roaming bison, longhorn cattle, deer and elk.
- **Wichita Mountains Wildlife Refuge** – is home to American Bison, Rocky Mountain elk, white-tail deer, and Texas Longhorn cattle on its 59,020 acres.
- **Holy City of the Wichitas** – is a replica of the city of Jerusalem, featuring 22 buildings made of native granite stone.

Serving as the cultural and commercial center of southwest Oklahoma, the city of Lawton lies at the heart of the Great Plains Country, an area of plains, prairies, mountain peaks and scenic parks.

THE HOSPITAL

Southwestern Medical Center is a Joint Commission-accredited full-service hospital with 199 beds. The physician staff of 150 provides care in 31 medical specialties. The hospital provides 24-hour emergency services and round-the-clock X-ray and laboratory services as well as comprehensive surgical services and diagnostic imaging. Southwestern Medical Center also has a 59-bed Med/Surg Unit, an nine-bed ICU and comprehensive Cardiopulmonary, Rehabilitative and Women's Health programs.

Providing advanced medical care has been a long tradition at Southwestern Medical Center. For example, we were the first and only Joint Commission Certified Primary Stroke Center in southwest Oklahoma. The Southwestern Neurosciences Center offers advanced treatment for a variety of neurological diseases and conditions, including brain tumors, aneurysms, stroke, disease of the spine, Alzheimer's, seizures, and Parkinson's disease. Other advanced medical technologies include Child, Adolescent, and Adult Behavioral Health Services and The Center for Wound Healing and Hyperbarics at Southwestern.

THE COMMUNITY

Located just 90 easy miles southwest of Oklahoma City on Interstate 44, Lawton is the third largest city in Oklahoma. Fort Sill, located just north of the city, is home to *US Army/USMC Field Artillery and Air Defense Artillery*. Visitors to the *Lawton/Fort Sill Historic*

Landmark and Museum can see a large collection of 20th century artillery known as the *Cannon Walk*, view historic buildings originally constructed by Buffalo Soldiers, and visit the famous Native American burial sites of *Geronimo* and *Quanah Parker*. *The Mattie Beal Home*, a 14-room Italian and Greek Revival-style mansion constructed in 1909, sits on a portion of the 160 acres selected by Mattie Beal when her name was drawn in the 1901 Oklahoma Territory Land Lottery. The home has been completely restored and is listed on the National Register of Historic Places. *Holy City of the Wichitas* is a replica of the city of Jerusalem with 22 buildings made of native granite stone. The nation's longest running Easter passion play, *The Prince of Peace*, is held here each year in a natural amphitheatre.

RECREATION

Lawton is located in the heart of the Great Plains Country, an area well known for its abundant lakes and world-class fishing and hunting. *Mount Scott*, which rises 2,500 feet above the plains, provides some of the most breathtaking scenery in the state and a chance to view free-roaming bison, longhorn cattle, white tail deer and elk. *The Wichita Mountains Wildlife Refuge*, established in 1901, provides a habitat for large grazing animals on its 59,020 acres. The refuge is also home to approximately 400 species of animals, birds, reptiles and amphibians, and more than 800 plant species.
