Heartland Chapter of Emergency Nurses Association Honors MARMC Staff

Three employees and a physician affiliated with Mineral Area Regional Medical Center (MARMC) in Farmington, Missouri, were honored at the inaugural awards banquet of the Heartland Chapter of the Emergency Nurses Association, which includes hospitals throughout a six-county region.

MARMC's Physician Advisor Dr. Richard Winder was named the "Physician of the Year." Dr. Winder also serves as St. Francois County EMS Medical Director. The award recognizes his many years of outstanding service in the region.

Three other Mineral Area nurses also received special recognition. Pictured from left in the below photo, they are: Glen Turnbaugh, RN, named "Rookie of the Year;" David Harwood, RN, awarded "Emergency Nurse of the Year;" and Paula Thompson, RN,

honored with the prestigious "Florence Nightingale Award for Leadership."

The Heartland Chapter was established June 2011 by devoted Emergency nurses and leaders spanning several counties in Missouri, including Crawford, Iron, Madison, Perry, St Francois, Ste Genevieve, and Washington.
